

## **TENURE-TRACK FACULTY POSITION**

The Michigan College of Optometry (MCO) at Ferris State University (FSU) invites applications for a full-time tenure track position available immediately.

The successful applicant will assume duties in patient care and teaching in the clinic, classroom, and laboratories primarily in the area of pediatric vision and/or vision therapy. Opportunity to develop in the area of clinical administration and supervision of a resident may also be available. The successful applicant will be expected to contribute to the mission of MCO in the areas of patient care, teaching, scholarly/professional activities, and leadership.

Position #F21556, Pediatric Optometry - Applicants should demonstrate expertise in clinical and didactic instruction in primary and secondary eye care of infant, child, and cognitively impaired patients. Experience with the referral care of any of the following is highly desirable: strabismus, amblyopia, learning disabilities, head injury, anomalies of development, vision therapy, sports vision, school and community based clinics.

The Michigan College of Optometry offers a collegial environment and excellent career development opportunities for faculty at all career levels. Salary and academic rank is dependent on qualifications, experience, and evidence of an ability to contribute in the applicant's area(s) of interest.

Review of applications will begin March 1, 2010 and continue until the position is filled. For complete position posting or for more information about MCO and FSU, please visit our web site at [www.ferris.edu/mco/recruitment](http://www.ferris.edu/mco/recruitment)

All application and support materials must be submitted through the FSU on-line service. Links to instructions and the service are located on the MCO link above and at the "Employment" link on the FSU homepage ([www.ferris.edu](http://www.ferris.edu)).
